

Quality Policy - Bury

It is the committed aim of the company to provide high quality workmanship, flexibility and customer service to a standard of quality consistent with the specified requirements of each customer and which are in accordance with the requirements of the company's own quality management system.

Each employee is responsible for ensuring that the required level of quality is achieved in their area of activity at all times.

This policy alongside quality measures of performance and any identified risks shall be reviewed at least annually by senior management. Senior management will recommend and implement any opportunities for improvement and reducing risk by providing the necessary resources with the objective of continually improving the effectiveness of the Quality Management System.
